LAWYERS HELPING  
HUNGRY CHILDREN

The Summer Food Service Program provides no-cost breakfasts, lunches, and snacks for kids and teens ages 1 through 18. The meals are served at approved sites where at least half the children are eligible for free or reduced price school lunches. In 2014, the program will run from June 25-August 22 at participating parks, community centers, and other sites throughout Seattle.

This institution is an equal opportunity provider and employer.
